We hope you
enjoy your
stay with us

March 2024

Anyone found disrespecting our park rules will be asked, along with the rest of their party, to leave the park immediately without any refund.

Hello!

Welcome to Glengoulandie. We hope you enjoy your holiday with us. If you need anything, please give us a call: 07413 391 082 (Andy) or 07971 398 542 (Fiona).

Reception/Shop

Reception is open daily from March through to the end September and includes a shop for the sale of touring/camping spares, bottled gas, hygiene essentials, basic food items, hot & cold drinks, cakes, ice creams, treats and toys. We also offer an ice-pack freezing service. If reception is unattended, please ring the bell.

Speed Limit

Please drive slowly and sensibly on site (walking speed) being cautious of children, animals and the odd stray adult. No traffic movement after 22:30 and before 07:30.

Respect for Others

For the comfort and safety of everyone, please pitch any tents, vans or motorhomes at least 6m apart. Do not use generators or hang washing lines. Please do not attempt to fly kites, drones or anything else on site. **Please keep noise to a minimum after 22:30.**

Hardstanding Pitches

Please use the side indicated on the Site Plan for your recreation area and any awning/gazebo and/or car parking.

Please do not try to charge Electric Vehicles at the hardstanding hook-up points. These are not designed for this purpose.

If you have an awning, please do not run any heaters in it.

Amenities

The showers and toilets will be closed for cleaning: Gents 11:00 – 12:00; Ladies 12:00 – 13:00. You can use the adapted toilet during these periods.

Children must be accompanied at all times in the toilets/showers.

Dogs

Please keep dogs on a lead at all times on site. Use the designated area to exercise your dog and clean up any mess. You may also use the verge and the area opposite site but please clean up after your dog.

Children

We encourage children to enjoy the natural surroundings but please exercise caution around the burn and be careful of rabbit holes and other trip hazards. **Keep off the fragile banks of the burn.** We accept no liability for accident or injury as a result of playing on site.

Visitors

We welcome visitors to site. Please let us know in advance if you can. Ask them to use the Visitor's Car Park and pop in to Reception to let us know they are here.

BBQs/Campfires

Only BBQs on a frame/legs that are well off the ground (at least 40-50cm) are permitted. Slabs/bricks are provided by reception and the entrance to the camping field to help protect the grass. Please do not put hot pots and pans on the grass.

Carbon Monoxide can kill. Never use fuel-burning appliances inside your tent or awning. Even a warm barbeque can be lethal.

Fires are only permitted within the designated fire pit. If you wish to light a fire, please consider the prevailing weather conditions and the comfort and safety of your neighbours.

Recycling & Waste Disposal

Please make use of the bins and recycling facilities provided – separating landfill from glass, plastics, tins/cans, paper and cardboard.

The waste water from the site is serviced by a bio-chemical sewage system. Please do not use chemical or biological cleaning products (e.g. bleach or biological soap powder) or put any foreign objects down the drains.

Deer Park

If you wish to access the deer park, we request a voluntary donation that goes towards feeding, welfare and maintaining their enclosure. There is a donation box on the gate. The deer park is locked during rutting season – end of September to early November.

Laundry

We have a washing machine and tumble dryer. Instructions for their use is located in the laundry. The cost of the washing machine includes non-bio detergent and softener – which are automatically dispensed. An iron and ironing board are also available to borrow.

Emergencies

In the event of an emergency, please call 999 and let us know as soon as possible. If Reception is not open, please find us at the house or call us.

On discovering a **fire**:

- Ensure the affected unit and any adjacent units are evacuated.
- Raise the alarm. Shout "Fire, fire, fire".
- Call the Fire Brigade (the nearest telephone is in Reception or at the house).
- Attack the fire using the fire-fighting equipment provided (only if safe to do so).
- The Fire Assembly Point is located in the Visitor's Car Park in front of Reception.

WiFi/Social Media

Free WiFi is available in and around the amenity block: Glengoulandie_Guest. Follow us on the following platforms. Search "Glengoulandie":

Day of Departure

Please vacate your pitch/accommodation by 11:00 on your day of departure.
